

School SEND Partnership Offer

Academic Year: September 2022 – July 2023

Hunsbury Park Primary School are pleased to continue our school partnership offer which started in September 2021 and was very successful for all schools involved. As a school we are proud of our recent Inclusion Quality Mark achievement, SEND knowledge and experience, SEMH Resource Provision and the strong connections with outside agencies. Hunsbury Park Primary School will also be opening a new ASD Designated Specialist Provision in the Autumn term growing to 50 places from 2023. We would love to facilitate sharing these experiences through a partnership offer outlined below. This is also a fantastic opportunity to develop a supportive network for SENDCo's to share advice and support within our local community.

This partnership will include:

- 3 x termly SENDCo networking sessions where all professionals will be in attendance for drop in sessions, support and advice
(1 SENDCo to attend per school)**
- 5 x professional CPD training sessions including Target Autism, Speech and Language Service, Occupational Therapy, Jogo Behaviour Support and Signalong.
(2 attendance places per school)**
- 5 x online parent workshop presentations including Target Autism, Speech and Language Service, Occupational Therapy, Jogo Behaviour Support and Signalong.
(Unlimited parent attendance per school)**

Cost per school: £375.00 per academic year

- *Previous SEND Partnership schools receive 10% off cost*
- *SEND Partnership schools receive an additional 10% off any future training held at HPPS.*
- *Upcoming training on offer for September 2022; Attention Autism Foundation Level course, Intensive Interaction training, TEACH tray task training and TEAM TEACH training.*

Please contact Kate Burt for any further information or if you would like to book a place for your school on this partnership please confirm this by sending an email.
